

Roundtable 1 - Equity, Equality, Diversity and Inclusion (EDI) – Thursday 23rd
November 2023 – 17.00-18.30.

The first Fellow's roundtable will focus on Equity, Equality, Diversity and Inclusion (Miller, 2023; Watson et al, 2023). Our aim is to discuss and open up an inclusive dialogue with the audience. The debates will centre around the following points which will be briefly introduced by Fellow's and then be open to discussion within the Chat Box and Virtual Space with the audience:

- The role of HR in transforming equity.
- How the 'culture wars' and an 'anti woke' sentiment are presenting challenges for EDI work.
- Changing the dial - how to best demonstrate EDI improvements.
- The future of EDI in education - early years to post16.
- Diversity, neurodiversity and biodiversity - where next for education and society?
- Where next for equitable education?

We look forward to seeing and hearing your thoughts on the above issues on Equity and EDI.
